Brand Redesign for Wacky Webster's

Wacky Webster's
Nerdy bakes and creative cakes

For this project I redesigned the mascot of a pre-existing confectionary brand, as well as added some elements of whimsy into the general image of the brand.

I was also tasked with designing chocolate wrappers, specific social media posts and a table cloth for bake-sale events

Collaborative Comic Project

Project done in collaboration with norwegian artist, Emma K. Alfheim.

Script : Cowritten with E. K. Alfheim

Layout and Sketch: E. K. Alfheim

Lineart: Alex V.

Colouring and Rendering: Alex V.

The comic follows the interdimensional adventures of the incompetent supervillain Nutter the Great and his lovingly dim-whitted sidekick Blank OC.

Lighthearted in tone, with a subtle hint of meta commentary, the project is a love letter to early 2000s children media and the many tropes that made it so highly entertaining in the first place.
